

INTRODUCTION:

In the 1930s, London's Gatwick airport became an airdrome. The airport we have now was authoritatively opened in 1958 by their majesty, the queen. If we see the analysis of the last 60 years of passenger numbers at Gatwick, they grew from 186,000 to over 46 million passengers in 2019. They have now opened terminals to meet the expected demand.
