

SOLAR TECH RENEWABLE ENERGY PVT LTD.

SOLAR TECH RENEWABLE ENERGY PVT LTD

SolarTech Renewable Energy Private Limited is the Best solar company in Kerala , specializing in solar energy solutions, including installation and power generation. The company offers smaller-scale solar installations and battery storage solutions across India. It partners with inverter suppliers such as Alpha Technologies and SMA Solar Technology AG.

SPECIALITIES ;

➤ **On grid solar system** :: On grid solar system also known as a grid-tied or grid-connected solar system, is a solar power system that is connected to the utility grid. It allows you to generate electricity from solar panels while being integrated with the local power grid.

➤ **Off grid solar system** :: Off grid solar system is a standalone solar power solution that is independent of the utility grid. It is ideal for locations where grid access is unavailable, unreliable, or undesired. These systems are self-sufficient and store energy for use during periods without sunlight, such as nighttime or cloudy days.

SOLAR PANEL INSTALLATION

Solar energy is one of the most reliable and eco-friendly sources of power in today's world. [Solar panel installation in Kerala](#) is a smart investment for a greener future. With rising electricity costs and increasing power demands, switching to solar energy is a cost-effective solution for both homes and businesses. It not only helps save money but also contributes to environmental protection by utilizing clean and renewable energy from the sun.

HYBRID RENEWABLE ENERGY SYSTEM

SolarTech's [Hybrid Renewable Energy System](#) is an intelligent power solution that combines solar energy, grid power, and battery backup to ensure uninterrupted electricity at all times. It helps in reducing electricity bills, saving energy, and ensuring power even during outages — making it perfect for homes, businesses, and industries.
